

The Development of the Atomic Theory

Chemistry Handout #2

Name _____ Date _____ Block _____ HR _____

- Directions:
1. Read page 258 of the Sciencesaurus and fill in the chart below.
 2. On one page of your sketch pad, draw and color Dalton's, Thomson's and Bohr's model of the atom.

Scientist	Date or Time Period	Three facts about the scientist's theory about the atom
John Dalton		
J.J. Thomson		
Ernest Rutherford		
Niels Bohr
